TO START FIGHT ON GOMPERS

COOLNESS BETWEEN LEADERS
IN THE LABOR ORGANIZATION

VICE PRESIDENT DUNCAN OF
THE FEDERATION SAID TO BE
READY TO START FIGHT
AGAINST GOMPERS.

WASHINGTON, Dec. 8.—Rumors of a coolness between the labor leaders constituting the American Federation of Labor, the McNamara's ways and means committee, President Ryan of the structural iron workers, and Vice President James Duncan of the federation are rife today. Ryan and Duncan left here suddenly yesterday.

President Ryan's name was omitted from the list of the signers of the statement issued by the McNamara brothers issued yesterday and it is currently reported that Duncan is preparing to start a fight against President Gompers.

Burns Grows Bitter—
NEW YORK, Dec. 8.—Delective William Burns gave out another statement today bitterly denouncing President Samuel Gompers of the American Federation of Labor. Mr. Burns was extremely caustic and again dared President Gompers to make an affidavit denying he had any knowledge of the dynamiting done by the McNamaras.

Ryan in Indianapolis—
INDIANAPOLIS, Dec. 8.—President Ryan of the Structural Iron Workers of America arrived here from Washington this morning and went immediately to a hotel, asking not to be disturbed.

ONE JURYMAN IS REMOVED AT TRIAL OF THE PACKERS

SIX OF THE TEN MILLIONAIRE
DEFENDANTS WERE ABSENT
WHEN COURT CONVENED
THIS MORNING.

CHICAGO, Dec. 8.—Six of the millionaire meat packers out of the ten on trial before Judge Carpenter here for violation of the anti-trust law were absent when court convened this morning.

When court opened the work of selecting the jury was resumed, attorneys for the defense trying to remove the farmers and stock raisers from the jury. These efforts were successful to the extent of having one juror removed this morning.

BETTER SHOWS HERE
EXPECTED IN FUTURE.

Manager W. S. Sneed of the Daytona theater feels that he was imposed upon in the matter of recommendations furnished him concerning the "Chorus Girl" show, presented at the Daytona theater last evening. The show was scarcely up to the recommendations furnished Mr. Sneed by the managers of other theaters in which the show has played this season. Miss Elizabeth Dunne as Patricia O'Brien gave a creditable representation of the up to date chorus girl, but the other characters were rather under par.

Manager Sneed is making a strong effort to bring a line of good shows to the Daytona theater this winter and declares every future attraction will be carefully investigated before a contract is signed.

Hankins says:

BIG LAND TRANSFER IS COMPLETED

HARWOOD TRACT DISPOSED OF
TO BIG CHICAGO CORPORATION

NEW OWNERS WILL CLEAR LAND
AND DIVIDE IT INTO SMALL
FARMS TO BE PLACED ON THE
MARKET.

One of the biggest land deals completed in this section of the country a recent years has been turned by the Conrad & Oates agency of this city, by which practically 15,000 acres of land around and adjoining the Harwood station of the Florida East Coast railroad, about six miles north of Ormond, has been sold to the American National Land Corporation, made up of prominent Chicago men.

The price paid for the land has not been given out, but it is understood to be one of the largest sums ever paid for a tract of land in Volusia county.

The representatives of the Chicago corporation who made the purchase are Messrs. W. A. Pridmore, Louis T. Orr and Hubert Hammond, who have been in this vicinity a couple of weeks carefully investigating the conditions and prospects, and completing the deal. The tract purchased is composed almost entirely of hammock land lying between the Florida East Coast railroad and the East Coast canal, north of the Toxoka river and west of the basin, making an ideal farming location.

The new owners get immediate possession and will begin at once to clear the property and divide it into model farms. The tract takes in the bunch and Addison grants, formerly used by the Spaniards as sugar plantations and the ruins of several old sugar mills still stand on the land. The greater part of the land has never been under cultivation since it was worked by the Spaniards and the furrows of cultivation are still plainly visible in many places.

The new owners will spend a large sum of money in putting the land in condition for immediate farming before an acre is disposed of and it will probably be some time before the tract is put on the market as small farms.

The American National Land Corporation is not new to Florida as the company has been operating near Monticello for some time, disposing of small pecan farms. A large tract of land was purchased in that vicinity, cleared and divided into small farms and the land planted to pecan trees, which had reached a good growth before any of the land was placed on the market.

It is probable the American National Land Corporation will make its headquarters in Daytona while preparing the land for cultivation and disposing of the farms.

ST. PETERSBURG, Dec. 8.—A monstrous new bridge in process of construction across the Volga river here collapsed today and plunged to the ice below, carrying with it 200 workmen employed on the bridge.

The heavy iron broke through the ice when it struck and most of the workmen went into the water and were swept under the ice by the swift current. Only a few of the 200 were saved.

FIRST REGULAR MEETING
OF PALMETTO CLUB HELD.

The first regular winter meeting of the Palmetto club was held at the club house at 2:30 o'clock Thursday afternoon. It was "President's Day" and a most interesting meeting. The president, Mrs. Graham Thompson, was in the chair and gave the greeting.

Two reports of the state federation held in Jacksonville, Oct. 14 to 16, were given by the delegates, Mrs. William Atwood and Mrs. Ida Niver. Following this the members were entertained by the regular program which follows:

Vocal solo by Miss Lois Van Valzah, (a) "My Nightingale," (b) "Florian Song." Miss Ella Willaume acted as accompanist.

The next number was given by Mrs. Alexander T. Bigelow, in her charming manner, "The Invalid Pilgrims or Incompatibility of Constitution," a rhyme of adventure, love and hygiene, by George Huntington.

This concluded the program, following which a short business session was held. The hostesses of the afternoon were officers of the club.

ENTERTAINED IN HONOR OF

Mr. and Mrs. Wm. Ross entertained last Wednesday evening at their home, 345 North Ridgewood avenue, in honor of the birthday anniversary of their daughter, Marian. A delightful evening was spent by all after which delicious refreshments were served. Among those present were Misses Emma and Hazel Williams, Mr. and Mrs. Fred A. Pennington, Messrs. IN THE STATE.

ATLANTA, Dec. 8.—Joseph Brown, on a platform favoring the present conditions in the state, won the gubernatorial nomination in the primary election held yesterday, defeating Pope Brown, radical prohibitionist, and Richard Russell, supported by the local optionists.

In the voting Joseph Brown carried 84 counties, Pope Brown led in 40 counties and Russell carried 20 counties. The vote throughout the state was extremely light and there was little interest manifested in the outcome.

H. M. Stanley was nominated for the office of state labor commissioner, over J. D. McCarthy, supported by the union labor element.

The shooting followed a misunderstanding concerning a general fight between strikers and strike breakers. Rioting as a result of clashes between strikers and strike breakers has been frequent of late.

INDICTMENT OF ED. SMITH DEFECTIVE?

WHY WAS TRIAL POSTPONED
AT GAINESVILLE TUESDAY?

ATTORNEYS FOR THE DEFENSE
WERE READY AND ANXIOUS
TO PROCEED WITH TRIAL AT
THE TIME SET.

The successful efforts of the attorneys for the state in having the trial of Sheriff Ed Smith continued, has brought out a general opinion that the state's attorneys have found the present indictment against Mr. Smith defective and the delay was asked for in order to give time for a new indictment to be returned by the grand jury.

The attorneys for Mr. Smith and the defendant himself were ready for trial when the case was called in Gainesville last Tuesday and this appears to be the best reason why the attorneys for the prosecution should have asked for a continuance. That the attorneys for the defense were prepared for trial and anxious to go ahead with the case when it was called in Gainesville, is shown by the following letter, which recently appeared in a Jacksonville paper:

"In your report of the proceedings in the Smith case in Gainesville there appears to us a studied silence as to the stand by the defendant on the motion of the state to continue the case. Let it be inferred that the defendant or his counsel consented to the continuance or was in any way party to it, we desire to state that from the beginning to the end the defendant, through his counsel, persistently, earnestly and sincerely insisted on a denial of the state's motion, and again and again throughout the proceedings demanded a trial at that term. At great and erroneous expense the defendant has brought all his witnesses to Gainesville, was ready for trial and so announced, and was anxious for a trial. What new facts the state has discovered we cannot conceive as every person present at the happening of the accident was, as we believe, before the grand jury and (as we are informed and believe) was present in Gainesville for the trial. The delay was solely that of the state and against the repeatedly expressed desire of the defendant through his counsel."

"In view of the fact that certain of the press have persistently endeavored to try this case, to the injury of the defendant, we ask, in justice to him, that you shall publish this."

Mr. and Mrs. W. G. Porter, who were last season located in the E. C. Tomlinson house on West Magnolia avenue, arrived Friday afternoon from Sand Creek, Mich., to again spend the winter in Daytona.

ONLY ONE BAD SPOT IN COUNTY

ROADS THROUGH VOLUSIA ARE
GOOD TO HEAD OF THE INDIAN

DELEGATES TO RALLY AT FT.
PIERCE EXPERIENCE DIFFI-
CULTY IN PASSING THROUGH
INDIAN PRAIRIE.

Volusia county is doing her part toward the East Coast highway and at the present time there is but one bad spot in the road through the county, according to a statement made to the Daily News today by Myron L. Howard of Jacksonville, who is returning from the good-roads rally held at Fort Pierce Wednesday.

The one spot which needs fixing to complete the stretch of good road through Volusia county is at Indian Prairie, just at the head of the Indian river, and not a great amount of work will be required to put the road in good condition at this place. Between this city and Jacksonville the road is in better condition than it has been for some time, according to Mr. Howard, a few bad spots making it necessary to drive slowly at times, but on the whole the road from Daytona to St. Augustine is good.

Mr. Howard is a good roads enthusiast and has traveled over most of the touring roads in this state. From his observation the people of Florida are thoroughly awakened to the necessity for good roads all through the state and are now doing more in this direction than they have ever done before.

Mr. Howard and Chas. A. Clark made the trip from Jacksonville to Fort Pierce in a National "40" roadster and made what is considered a record run of 11 hours and 38 minutes on the down trip. On the way back they made the trip from Fort Pierce to Daytona, 145 miles, in 7 hours and 25 minutes, six minutes longer than was required to make the trip from this city down to Fort Pierce. They arrived here Thursday evening and were the guests of C. O. Chamberlin until this afternoon, when they continued the trip north, intending to take a leisurely ride to St. Augustine and stop in that city over night.

NEWS OF THE HOTELS
Among the guests earlier in the week at the Gables hotel were Mr. and Mrs. Wm. Satterton of New Smyrna. Mrs. Satterton will be better remembered here as Miss Clara Chandler, having spent a winter here about four years ago, being a student at the Daytona high school at that time.

ing covered with a thick coating of marl. After this marl is leveled off and rolled down a superb croquet ground will be the result.
All of the remaining space added to the hotel grounds will be given over to court golf, a game devised to furnish great sport for the lover of golf and making this game possible on much smaller tracts of land than a full sized link. The principle of the game is the same, except that the short distances between the holes is offset by obstructions that the player must avoid or pass between. The lovers of outdoor amusement will have plenty to take their time at the Despland this winter.

JUST GOSSIP
BY THE GOSSIPER.

Every indication points to the best winter season in the history of the city of Daytona and this vicinity. There appears to be more winter residents here than ever before at this time of the year and the hotel's now open report a good trade for this season of the year. More cottages are now rented than at the time last season, or any previous season, which indicates there will be a heavy demand for cottages before the winter is over. Unless all signs fail the season of 1911-12 will be the best in the history of the city.

The board of trade, hotel men's association, automobile association, business men and citizens generally have taken to the plan of giving the visiting members of the American Association of Passenger Agents a good time while in this city the afternoon of Dec. 31, as a splendid opportunity for catering to the men who have a great influence in directing tourists who seek good places to spend the winter months. Plans are being pushed forward to entertain the visitors while they are in the city and the entertainment will be time and effort well spent.

THE MORGAN
Recent arrivals at the Morgan House are L. A. Roengarden, R. C. Best, Jos. Nelson, H. R. Jackson, W. F. Powers, Mrs. Wm. E. Parsons, Jr., Mr. and Mrs. W. Cunningham, New York; L. G. Crandall, Boston; Miss S. Landwehr, Baltimore; Miss C. Keen, Cumberland, Md.; H. T. Howard, Jacksonville; Mrs. Margaret Stephens, Ridley Park, Pa.; G. M. Murphy, St. Augustine; Mr. and Mrs. J. E. Hagey, Henrietta, Pa.; Miss Florida Hankins, Mulberry; Mr. and Mrs. F. L. Flint, Minneapolis.
A social evening that is being arranged for Saturday at the Morgan is being looked forward to with much pleasure by the guests of this hotel.

MABEL PAIGE IS COMING
TWO NIGHTS AT THEATER.

The next attraction at the Daytona theater will be Mabel Paige and her excellent company, presenting two plays, "The Lost Trail" and "Billy," two nights, Dec. 11 and 12. Concerning "The Lost Trail," the Ocala Banner says:
The first theatrical attraction for the season of 1911-12 was Miss Mabel Paige and her excellent company, who, last night, to a large sized audience, presented "The Lost Trail," a splendid western drama in four acts.

Miss Paige is a very clever actress, and is exceedingly popular in all parts of the state, and in many other southern states. She is well liked and admired in Ocala, and is always greeted by good audiences when she comes here.

Last night in the character of Edith Paulkner, the pretty western girl, she was at her best, and Ed Lawrence who is known to every theater goer in the state, in the leading male role, that of Bud Larrabee, pleased the audience well. The story is an interesting one of pioneer days in the west and has an interesting love story running through the play.
All of the parts last night were well handled by the other members of the company, most of whom are new since the last visit of Miss Paige in Ocala.

S. W. Quinn of Chicago, representing Aviator Jimmie Ward, was in the city today in an effort to get the business men and civic organizations interested in bringing Ward here for a series of exhibition flights on the beach some time during the winter months. Mr. Quinn says he can make a proposition which will be interesting to the Daytona people.

Every member of the Florida East Coast Automobile association has been invited and is urged to attend the special meeting called for this evening. The plan of Promoter E. A. Moross for holding a series of speed trials on the beach here this winter will be considered and discussed at this meeting, but there are other matters to be discussed by the members. The plan of Promoter Moross appears to give a splendid opportunity for advertising the city of Daytona and the beach and seems to be the best plan in the line of automobile races yet offered for this city. The civic organizations of the city and the business men will be largely governed in sentiment and action by the way the matter is handled by the automobile association and it is highly important there should be a good attendance with a full and free discussion before any definite action is taken.

HEARD ON THE STREETS

Miss Carrie Chaffer came over
from Lemon Bluff Thursday after-
noon for a few days' visit with Mrs.
C. A. B. Tice and family on West
Magnolia avenue.

*Jordan almonds, walnuts and pecans
at Lyman's.

Judge and Mrs. J. M. Tiedale ar-
rived Wednesday night from Covington,
Ky., and are again occupying
for the season their winter home on
South Palmetto avenue.

*Sewing machines for rent at
Barnes' Novelty Store. 1-8t

Mrs. H. G. Wilson arrived Thurs-
day afternoon to spend the winter as
usual with her daughter, Mrs. Harry
Hartshorn and family. Mrs. Wilson

*Pure sterilized Jersey milk. Sun-
nyside Dairy, Second avenue. Deliv-
eries made promptly. 2-tf

Mr. and Mrs. Henry Schorske, who
have been in the city for the past
six weeks, departed Thursday after-
noon on their return to their home
in the Bronx, New York City, but
expect to come back to Daytona some
time in February. Mr. and Mrs.
Schorske are warm personal friends
of Commodore and Mrs. Conrad Stun-
den, who greatly regretted their
return north. They have visited Day-
tona in several previous seasons.

*Picture mats and glass cut in all
sizes, in round and oval shapes, and
pictures framed at Barnes' Novelty
Store. 1-8t

The wooden benches provided by
the board of trade last winter along
the street parkway have been
brought forth from their storage
place and are being repaired and
given a coat of green paint in prepa-
ration for distribution again this
season. The work is being done on
the open parkway north of the city
hall. Although there were originally
30 of these benches, only 29 are now
in evidence so it is likely that some
enterprising visitor carried one away
as a souvenir of Daytona.

*Moore's Modern Methods in
loose leaf book keeping at Barnes'
Novelty Store. 1-8t

Mr. and Mrs. W. H. Allen arrived
Thursday afternoon from Fort Plain,
N. Y., and joined Mr. Allen's sisters,
the Misses Margaret and Matilda Al-
len, at their winter home on Fair-
view avenue. Miss Mary White of
Sprout Brook and Mrs. F. M. Van
Dusen of Fort Plain, accompanied
them south, but remained over in
Jacksonville until the night train,
when they also came on to the city,
with the intention of spending the
season here. Mr. and Mrs. Allen are
among Daytona's regular winter visi-
tors.

day morning, a bunch of fine look-
ing pigs, about a dozen in number,
that were feeding on the street park-
age in front of Mrs. D. A. Blodgett's
property on South Ridgewood avenue.

Mr. and Mrs. J. R. Jeffrey ar-
rived Wednesday from Nortonville,
Kansas, and are located for the win-
ter with Mr. and Mrs. Geo. A. Main,
on West Magnolia avenue. Mr. Jeff-
rey has for a number of years been
engaged in the mercantile business
in Nortonville and is enjoying a
well earned period of rest.

*Leave orders at Lyman's for
fruit cakes, pies and other pastry for
Christmas.

Rev. J. L. Wilson of Baker street,
who was injured last Monday by be-
ing run over by an automobile, is
still confined to his bed, his injuries
having proven more severe than was
thought at the time. Mr. Wilson's
back has been giving him some
trouble and is still very painful to
him when he is in a sitting or stand-
ing position.

*Launch Aquona for sale—35x9x2

and peanut wagon located this sea-
son on the lot at the rear of the

GOOD ROADS IN STRETCHES FOUND ON THE EAST COAST

MAN WHO ATTENDED RALLY AT FORT PIERCE SAYS HIGHWAY TO MIAMI WILL BE BUILT WITHIN TWO YEARS.
County Commissioner Dan J. Conroy, of Duval county, who was one of the good roads enthusiasts who attended the rally at Fort Pierce Wednesday, says the men who were present at the Fort Pierce meeting are enthusiastic over the subject of good roads along the East Coast, and declares his belief the Jacksonville-Miami highway will become a certainty within two years. Describing the trip by auto from Jacksonville to Fort Pierce Mr. Conroy says:
"We found many stretches of fine highways on the trip southward. After leaving Jacksonville we had twelve miles of hard road, and then in fair condition after having been the sandy road, all of which was in fair condition after having been covered with pine straw, except three miles. This stretch is being rapidly improved, and in three weeks at the outside will be in good condition for quick runs to St. Augustine.
"Good work is being carried on in Duval and St. Johns counties and by the first of January this highway will be in good shape for automobiles. From St. Augustine to Daytona there are about twenty miles of fine hard surfaced roads and there is also a good road along the Indian river shore. Between Jacksonville and Fort Pierce there remains about 100 miles to be improved, and with this stretch in proper shape and some work south of Fort Pierce to Stuart, a most important link of the Montreal-Miami National Highway will be formed.
"The meeting at Fort Pierce was well attended by a representative gathering of people from all of the East Coast towns and good roads enthusiasm prevailed throughout the meeting. Everybody is very anxious for this Jacksonville-Miami highway, and I think it will be a certainty within two years."

WHEAT OPENS DULL PROVISIONS LOWER.

*CHICAGO, Dec. 8.—The wheat market opened dull today with December quoted at \$93½. Provisions were lower, showing May pork at \$15.97, lard 9.20, ribs \$8.47. Hogs were a shade higher with cattle strong.

FOUR YACHTS FROM BOSTON MAKE STOP HERE.

That the new city dock just completed will fill a long felt want was demonstrated Thursday afternoon, when five private yachts cruising in Florida waters were tied up for the night. Other boats too have already made stops here and used the new dock and it is safe to say that before the winter is half gone it will be hard to understand just how the numerous boats landing here got along without this public facility.
The boats that arrived late Thursday afternoon were really a part of the same party that passed through here in the twin yachts Wednesday morning and in the two boats that tied up to the city dock Wednesday night.
The boats were all from Boston. One, the Snap Shot, came all the way through, while the remaining three were shipped to Jacksonville and the start made from there. The four boats and their owners are the Galoot, Jake Laubenstein; the Kathryn F. John Farrell; the New Gar, H. C. Sargeant; and the Snap Shot, owned by H. B. Green. The boats will proceed south together today.
